

BelAge™

CELLULAR ENERGY

Promotes a natural increase in energy by revitalizing the mitochondria.

Supports microcirculation and helps reduce low-grade chronic inflammation.

Helps reactivate the antioxidant system.

+120

Bioactive Postbiotics

Extracted from the fermentation of Olive, Rosemary, and Blue Spirulina.

Because Your Life Matters.

This powerful formula delivers bioactive postbiotics directly to your cells—fueling them with more energy, increased oxygen, and enhanced antioxidant protection.

- **Helps fight** the effects of free radicals.
- **Naturally boosts** your energy to support an active, vibrant lifestyle.

Key Ingredients: Bioactive postbiotics derived from olive and rosemary.

DIRECTIONS FOR USE:

1 Dissolve one sachet of BelAge daily in 16.9 oz of water.

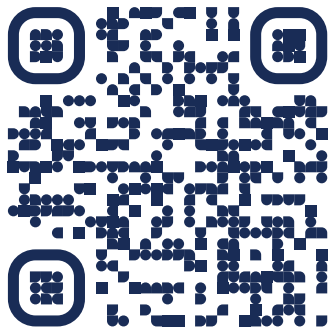

2 For optimal results, combine with Inner7 in the morning.

3 Once prepared, consume within 24 hours.
